

You are invited to attend the Technical Tour of the 495/90 Interchange Project

Hosted by SENEITE Emerging Professionals Group

MassDOT District 3, Barletta Heavy Division, and VHB will be presenting on the project background and Design Build efforts that are currently underway for the interchange improvements project at Interstates 495/90. This presentation will be followed by a site tour to explore key features of the project and discuss hurdles as well as achievements on a high-profile highway infrastructure project. A tour of the R&M lab will also be included. Transportation to and from the project site will be provided, with lunch.

Meet at MassDOT Research & Materials Lab
5 Macadam Road, Hopkinton, MA 01748
Tuesday July 30, 2024
11:00 AM - 5:00 PM
